FINAL INSTRUCTIONS

Thank you for your entry for the sixth South West Endurance Rally supported by many of our friends.

Your competition number is shown on the entry list enclosed.

Compulsory briefing for BOTH crew members in the restaurant at Badgers Halt at 11:15 for the day events and at 20:15 for the evening events.

Scrutineering is at Ashburton Motor Works, Ashburton Map Ref 202 750 695.2

NOT AT VENUE LISTED IN REGULATIONS

Day time events now between 08:00hrs and 10:45hrs

Nightmare now between 17:00hrs and 19:00hrs

For Endurance Rally competitors: those with trailers can leave them in the compound at Ashburton Motor Works.

Unload your car out on the highway before moving into the trailer park as the tarmac is very new at a cost of £200,000 so you do not want to damage it and have to pay for it to be redone! If you are staying at a hotel please leave your truck and trailer there if possible as room is very tight at this venue.

The Primrose Rally trailer park is at ATS Tyres, Heathfield, Map Ref 191 828 758.5 - please park against the fence adjacent to road.

Please note that both locations are insecure and the organisers or venues accept **no responsibility** for loss of or damage to any trailer.

Next go to Badgers Halt at map 191 673 735, for Noise Test and Documentation in the restaurant.

At documentation you will collect your door plates and fluorescent numbers in your Rally Pack, which will have to be on the vehicle before you leave MTC1.

Competitors registered for the Sortway Tyres Endurance Road Rally Championship 2014 must register any changes with the championship organisers at signing-on.

You will also be supplied a printed colour map books at signing on, which shows the route the first section of your event. Although the maps indicate the route of the selectifs as well as the road sections, the maps should not be used to navigate the selectifs and are provided purely for guidance purposes and are not considered accurate enough for competitive use. The organisers will accept no liability or protests arising from the use of the maps to navigate the events.

If you are carrying an on-board video camera, this must be in place for scrutineering and the organisers must be notified, and they may only be used on selectifs and NOT the public highway.

At scrutineering there will be eligibility checks on items such as carpets and back seats etc. under directions of the MSA. Scrutineers, Stewards and MSA observers all have the authority to spot check anything at any time during the event. As well as the above, there will be DSO's on route and special attention will be given to driving standards on Dartmoor and during the night route.

We ask for your continued cooperation to safeguard future use of these areas, by adhering to the lower speed limits we have applied.

MTC 2 and MTC 56 will be in the restaurant at Badgers Halt and you will receive your next set of route instructions when you have chipped your time cards, which will also apply to MTC 18 IN at Bovey Straights Garage.

FOOD

Food will be available all day at Badgers Halt, and a limited menu for the short time you will be there during the evening break.

You will be issued with breakfast tickets to be used on Sunday morning.
