Motorsport Carnival @ Boconnoc

Sunday 12th August 2018

Thank you for entering the sixth
Motorsport Carnival Rally @ Boconnoc..

We, the organisers of the event and the sponsors, are hoping that
you all enjoy this FUN day of motorsport.

This is a rally for enjoyment, as no points for any major
championships are at stake and you have the chance to demonstrate
your skills in front of the public.

If it helps to find the venue, the postcode is PL22 0RG.

We look forward to seeing you at the weekend.

The Organising Team.

CAMPING

Camping field is to be vacated by 8:00am on Sunday 12th and access to the field is NOT AVAILABLE during the running of the event. Access to the field will re-open asap after the completion of the event. This is for the security of the contents of the tents and field, and because the stage has to be crossed to get to the field. There will be toilet facilities in this field.

THE RALLY

Enclosed there are maps of the service area and the route to the venue from the A38, which will be orange arrowed on the day.

Spectators routing arrows will be BLUE so DO NOT follow these.

The Fortescue Family has allowed overnight camping on Saturday, so those who wish to arrive early are welcome. If you have not already booked your space you can pay on the day. Perhaps we could all bring a BBQ and some refreshments and socialise together!

Each entry will be allowed with them two service crew members and two wife's/partners within the entry fee. Any extra people will have to use the spectator entrance and pay the appropriate entry fees, or they may marshall on the event and receive free entry and a goody bag.

Within the service area you can pick your own spot from the available space - up to the ropes. Please park your trailer at the top of the field. Follow the signs for the route to the service area. Chris Perry is the Service Area Manager, please follow any of his instructions.

There will be a compulsory competitor briefing at documentation at 8:30am

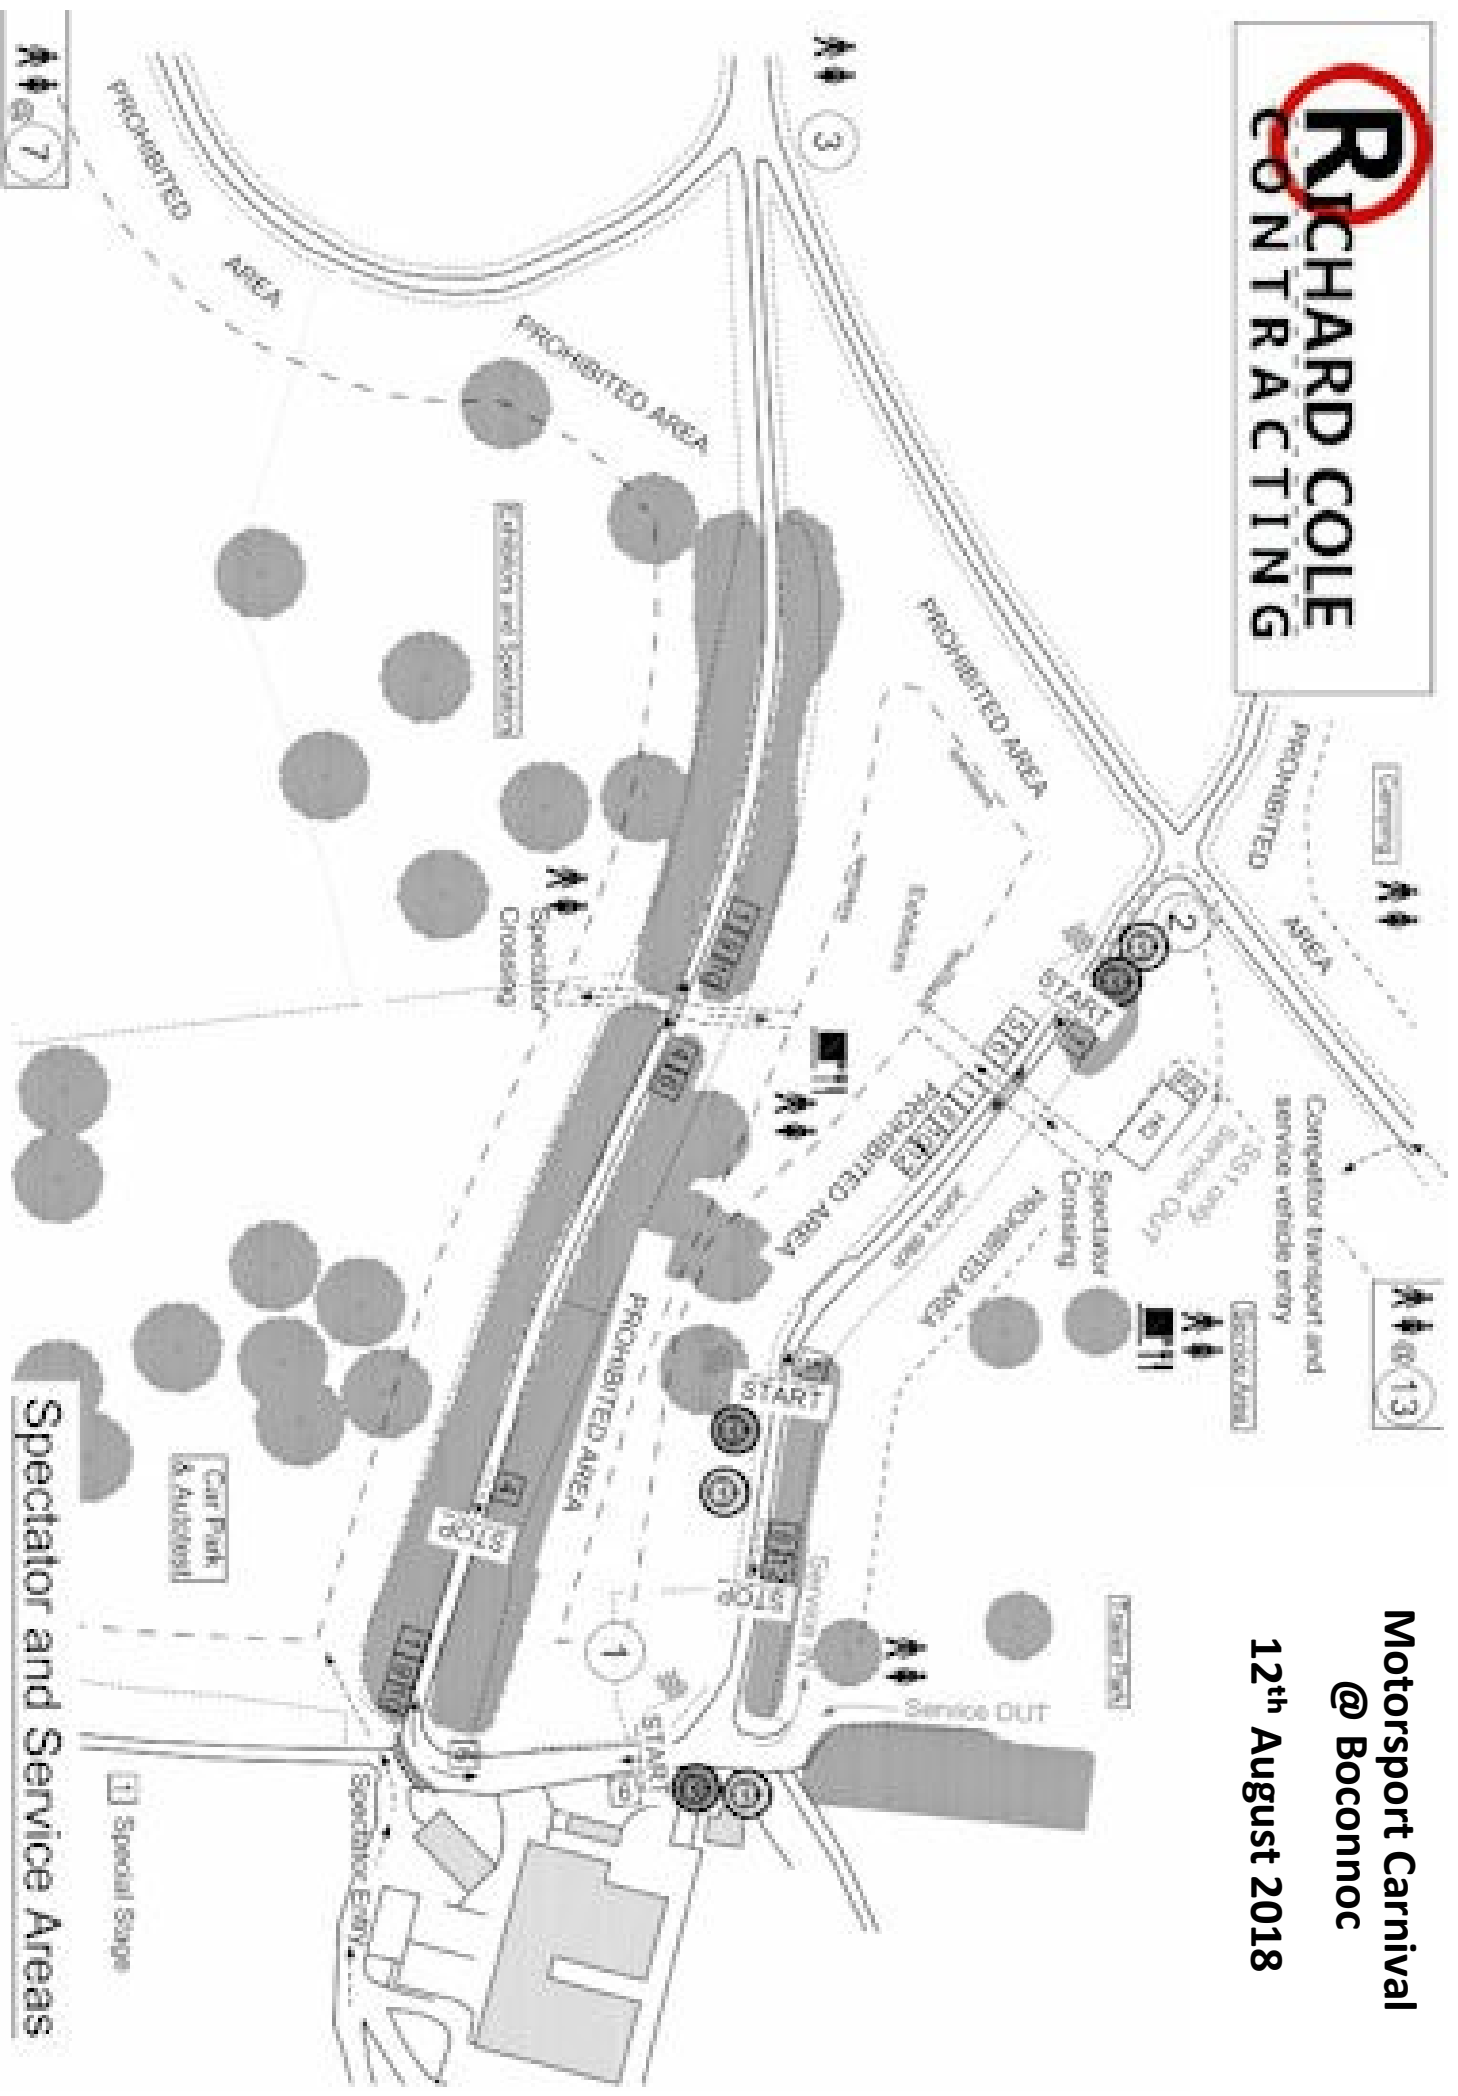

There will be 12 stages and at the end of each stage you will be required to turn and park up (and have a chin wag). The arrival control for the next stage will open as soon as possible after the last car/sweeper car has arrived and the set up crew have prepared the next stage.

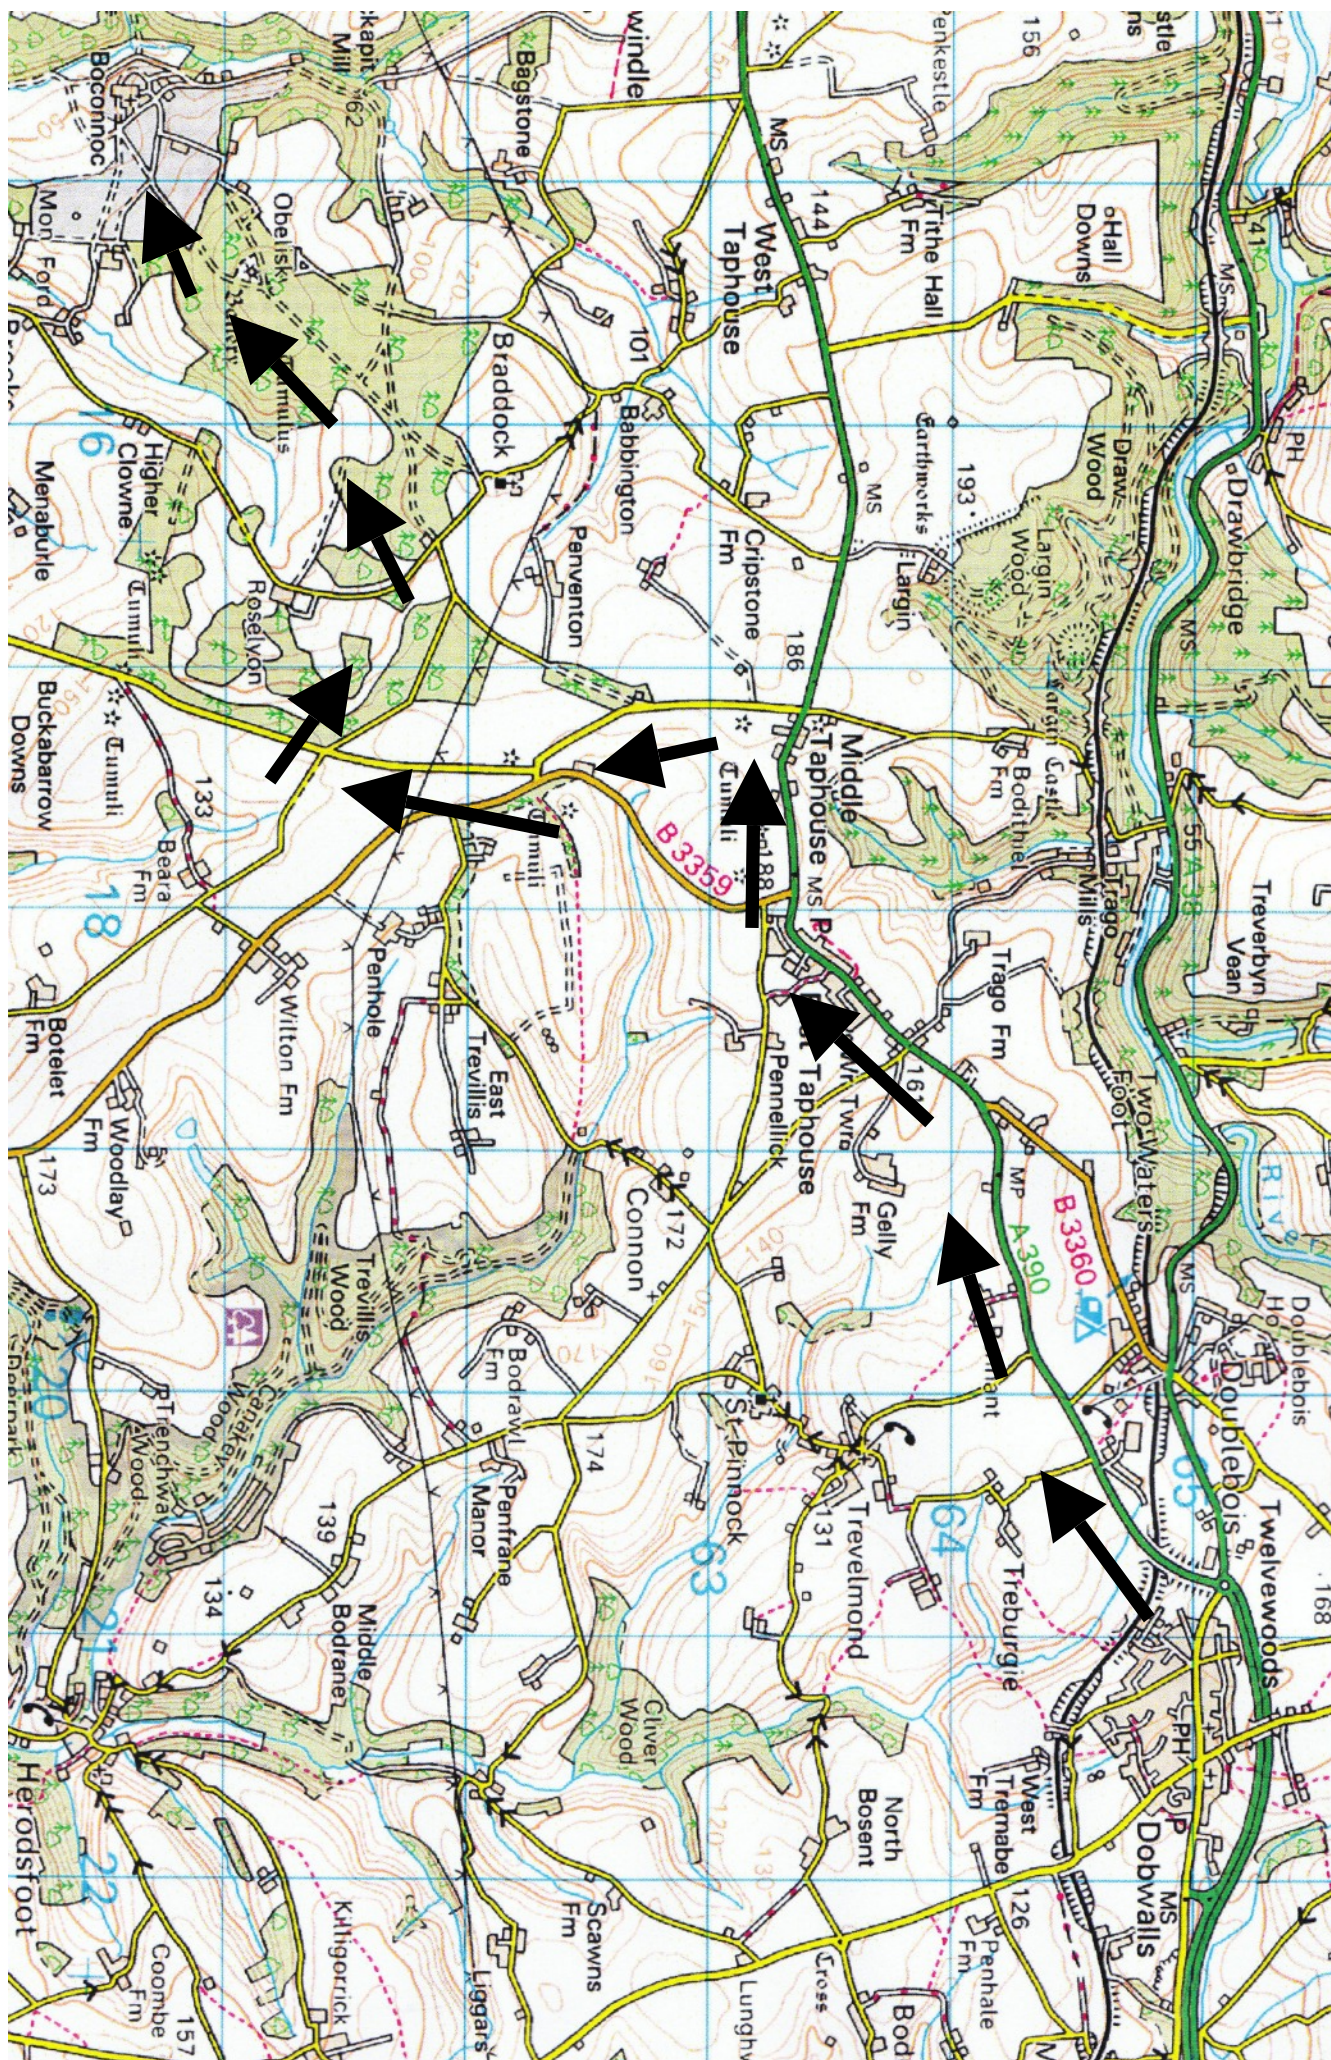

Insurance is in place to cover damage to estate fencing, but any competitor causing such damaged WILL be required to pay the excess on the policy.

There will be portable toilets located at the end of each stage.

After stages 4 and 8 there will be a 30 minute service - your service out times will be issued as you go in.
