

‘South Hams Solo’ 2019 - AutoSOLO Final Instructions South Hams Motor Club

Thank you for entering the 2019 “South Hams Solo”, please find also attached “entry list” and “Venue Directions” pdfs. Scrutineering will be on the left as you enter the venue from the Eastern Entrance as shown in the “Venue Directions” pdf.

As we are sharing the Paddock with the Test day again, please park close to the AutoSOLO area but intermingle if you like – it all adds to the atmosphere.

There is a Trailer Park marked on the venue direction maps if required..... As it is primarily for the Test Day competitors, it will be locked during our competition times, and we can accept no responsibility for any loss or damages.

Toilets and Burger Van will be situated in the shared paddock.

Signing On will be in the large hire van.

Please ensure you have suitable clothing for the day. Smeatharpe has notoriously strong winds and driving rain.
