

Drivers Practice/Training Day

Supplementary Regulations

Saturday 12th January 2019.

Welcome to this event organised by South Hams Motor Club which we hope will be useful for competitors for the 2019 season.

The landowner Lloyd Stevens has kindly agreed the use of his land for practise/driver training.

Are you rubbish at starting? Too many revs or keep on stalling at that vital moment?

Can't fathom how to correct understeer or oversteer?

Power slides and Scandinavian flicks or even the basic clutch control then this can be the ideal place to learn.

We have the full use of the venue between 10am and 3:30pm for you to do as you choose.

Hopefully, this will give you the boost to your confidence for the season ahead, whether it's rallying, sprinting, autocross or gymkhanas.

It is entirely a practise/training event organised for the sole purpose of enabling drivers to gain experience of their vehicles.

There is **NO** element of competition.

There will be **NO awards**.

Times will not be recorded.

Cars will **NOT** be started simultaneously.

After the long queues and waits at signing on previous years, we are asking for all entries to be made online via shmc.co.uk where you can pay via paypal. This should mean that we can get started on time, ensuring a full day.

Memberships can also be completed on line, and you will have to make sure you leave enough time to allow your membership card to be processed and posted out to you as you will have to show it on the day.
