## Final Instructions

# South Hams Motor Club Autocross 5<sup>th</sup> & 6<sup>th</sup> September 2020 Final Instructions

Thank you for your entry in this event, which we are pleased to accept.

Included is an entry list, which shows your competition number for the event, and the class in which you are entered.

Also inside are three maps to show the location of the venue. The address is Manns Newton Farm, Zeal Monachorum, EX17 6LL (M/R 191/691043). Orange arrows will be placed from North Tawton Cross onwards and NOT from any other direction.

If you have any questions or problems between now and the event, please contact Simon Ford on 07970 818083

Over the weekend, this is also the emergency contact number to use if necessary - Jenny Coxon 07980 061772

The organisers all look forward to seeing you over the weekend, and hope that we provide you with an enjoyable two days of motorsport.

Nicola Harper  
Clerk of the Course

## Amendments to Supplementary Regulations

### Final Instructions

PLEASE ENSURE YOU READ ALL CORRESPONDENCE SENT TO YOU THOROUGHLY.

CURRENT SOCIAL DISTANCING REQUIREMENTS MUST BE MAINTAINED AT ALL TIMES.

1. As you will be aware, the significant additional requirements and restrictions imposed by the Covid-19 pandemic have meant that the SR's and entry process to our event have taken much longer and has been more complex than usual. The event will take place under Motorsport UK Covid-19 guidelines that apply on the day. A senior official has been appointed as Covid-19 Officer to monitor compliance. Please make sure that you check your inbox for emails between now and the event as there could be additional instructions sent to you.
2. Any competitor that is showing any symptoms of COVID-19 must not attend the event and must tell the Secretary of the Meeting (Jenny Coxon tel 07980061772) immediately and withdraw from the event. Any competitor who begins to show any symptoms at the event should isolate themselves in their tow vehicle and away from others, or leave the venue as soon as possible.
3. There will be no spectators at the event. Any persons at the venue who are not signed on as a competitor, official, marshal or on the competitor signing on form will be asked to leave immediately. There will be no exceptions as it is very important that we have names and telephone numbers of everybody at the venue just in case it is necessary to make contact due to Covid-19 track and trace. People will be checked in on entering the venue and if they AREN'T on the list at the gate then they WILL be turned away.
4. There is ample parking at the venue. Please leave space between each race car/camper etc to practise social distancing.
5. Drivers are responsible for providing their own PPE and cleansing/sanitising equipment for themselves, their 'helpers' and mechanics.
6. Competitors must bring to the event their Motorsport UK Licence, club card and Championship registration card (if applicable). There may be a spot check on the day by an Official as signing on has taken place online before the event. If false declaration has been made on the online entry system found before or during the weekend of the event then the driver will be withdrawn and a report will be sent to Motorsport UK.
7. The food van (Malcolm Sweet) will be at the venue from around 8am Saturday morning until Sunday afternoon. Please support this facility. Hopefully Malcolm will have a card machine available for payments over £6.00.
8. The Scrutineer will audit the competitor's technical declaration on their signing on form and from that a number of vehicles/protective apparel will be selected for inspection. Competitors requiring guidance/clarification of a vehicle's compliance are encouraged to request an inspection (if you have any doubts then please ask the Scrutineer). Vehicles will be inspected in their paddock space and other checks may be carried out whilst queuing for the start line. Classes A1, A2 and Junior vehicles may be checked for torque biasing differentials.
9. The drivers briefing is being sent out with these Finals. If you should have any questions then please see the Clerk of the Course before practise or any time during the event.

10. SR10 and 15

Results for awards will be calculated by adding together the best time from Saturday and Sunday. There will be a separate set of results for Clubman and Interclub which will be sent by email on Monday 7<sup>th</sup> September. They will be provisional for 24 hours from the time of the email, after which they will go Final and trophies will be sent out to competitors. Times will be available during the day at the Secretary's tent and a photo of these will be posted on the South Hams Motor Club facebook page after each run – please stay behind the red and white tape and practise social distancing to protect the officials dealing with the times.

11. We are not requiring you to run in class order. We would request the double driven cars are early to the start in each run to allow good time for driver change (please use the double drive lane). Interclub and Clubman competitors can run together.

12. Stage rally cars in G1 and G2 will be allowed to run 1 & 1, ½ a lap apart. Road going cars with an in date MOT certificate may also run 1 & 1 – please let the Clerk of the Course know. The remainder of competitors will run 2 & 2 (please sort your pairings before you arrive at the start line). Any changes to these will be at the discretion of Clerk of the Course/Deputy Clerk of Course.

13. If you use tent pegs, could you please make sure to take away as many as you brought as they puncture tractor tyres.

14. If you have 4 wheels off in practice then wait and re-join the track when it is safe to do so. 4 wheels off on timed runs then stop away from the track in a safe place and wait until the end of run and then proceed back to paddock.

15. SR15 Change to:-

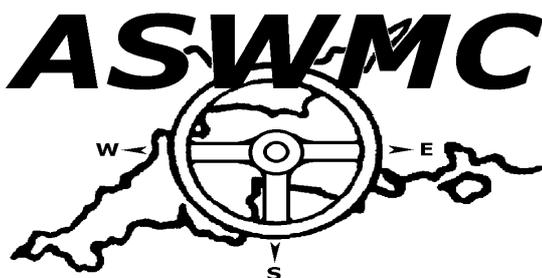

Motorsport UK Steward	add: Pam Hartill
Club Steward	add : Roger Gillard
Motorsport UK Timekeeper	delete : Tony Parker
Chief Marshal	add : Rod Kirk

16. SR8

The penalty markers are green stakes, and the course is marked out with white and orange flags.
