# The Primrose Rally

## 8<sup>th</sup> and 9<sup>th</sup> February 2020.

Thank you for your entry .We have worked at bringing a slick event we hope you have an enjoyable experience and event with us.

For this event we have a new start/finish venue, the Passage House Hotel. We have been welcomed by the team here and would like to use the venue in the future so please remember it is a hotel and to keep vehicle noise to a minimum when leaving on Saturday night but especially on returning.

There will be food available at the Hotel on Saturday evening from 6:30pm to 9:30pm.

On arrival at The Passage House Hotel there will be space to unload your trailer in the Coach Park as shown on the enclosed map. There will be some guests staying in the lodges adjacent to the coach park so please be as quiet as practical.

After unloading follow the enclosed map to noise test and scrutineering at Seymour Horwell.

When you are finished at scrutineering return to the Passage House Hotel for documentation, where you will collect your rally plates in your Rally Pack, which will have to be on the vehicle before you enter MTCO.

We recommend that crews sign on as early as you can to allow as much time as possible to become familiar with the contents of the pack.

There will be DSO's on route and special attention will be given to driving standards. We ask for your continued cooperation to safeguard future use of these areas, by adhering to the lower speed limits we have applied.

Competitors are reminder competitors of Section 170 of the Road Traffic Act 1988 and Rule 286 of the Highway Code. Any injury incidents must be reported to the Police Authority.

Please find enclosed changes to the SRs (as bulletin 1), map for Scrutineering, Noise, and HQ. Also attached is a provisional entry list.

Any changes will be minimal, so please proceed through Environmental and Scrutineering with the number from the attached list. Start Times will be posted on the Notice Board.

Please remember that any under 18s should have their parent or guardian with them at signing on, and if they can not be there they must download and complete one of the forms found at:
