## Foreword

Welcome to the Supplementary Regulations for the Harvest Rally, a Navigational Rally running on 9<sup>th</sup> and 10<sup>th</sup> October 2021.

In the vein of the 2019 event, we are offering approximately 160 miles of challenging rallying on maps 202 including the runs out and back, with:

- NO Whites and NO Private Land
- Fuel Halt at a Petrol Station – crews will need to carry enough fuel for 80 miles
- Map References, complete tulips and NAM Diagrams ONLY

For 2021 we welcome Chuley Road Garage as full event sponsor, a name that has been linked with SHMC and local motorsport for more years than they care to recall!

South Hams Motor Club have been running night road events since 1972 and we are constantly looking for the “ideal” format, listening to competitors and the changing conditions in the sport and area. We feel accuracy in all sides of the car will be required for a good result on our events.

In recent years we have got more of an eye to the future of the sport, trying to encourage more newcomers to step up from 12 car to larger Clubman/Interclub events, and thus the events are being designed to be much kinder to cars, but not necessarily on the crews. We look forward to receiving your entry, and any questions you have please ask away, our details are further on in the SRs.

Kevin and the Organising Team.

SHMC and the organising team would like to acknowledge the following people and organisations for their support, understanding and help for past road events, the 2021 event and future road events.:

- Householders and Landowners along the route.
- SHMC's PR Teams
- Motorsport UK and the Competition Authorisation Office.
- Mr Bob Challacombe (Devon RLO)
- Devon and Cornwall Police
- The Passage House Hotel
