TSH Stages Rally 2023

13 / 14 May

Thank you for entering the 2023 TSH Stages, sponsored by Chuley Road Garage.

We hope that our aim of providing an enjoyable weekends motor sport for all has once again been achieved.

Your competition number is shown on the enclosed entry list.

There will be scrutineering on Friday evening and Saturday morning. There will be marshals on the public highway before 07:30am on Saturday and 08:00am on Sunday, stopping cars going up the hill early to avoid vans and trailers from becoming marooned on the hill if they arrive before the gate opens. So if you arrive before the gates open you will block up the public highway, so PLEASE try not to arrive before 07:30am on Saturday and 08:00am on Sunday to avoid this. The RAF has asked you to be careful of the public footpath on the road up to the base gate.

Once through the gate unload your car in the large layby on the right hand side, making sure that access is kept clear at all times on the left hand side. Then service vans and trailers proceed as soon as possible to the trailer park and service area, following the route on the enclosed map. Competitors proceed direct to scrutineering and sign on, as per the enclosed map. Noise Test will be carried out at MTC1.

At scrutineering you will receive a process card. Keep hold of this card as you pass through scrutineering and documentation as you will need to present it at noise test prior to MTC1 on Saturday, where the official will retain it after you successfully complete the first noise test. There will be a further noise tests randomly throughout the event.

Your due time at MTC1 will be issued at documentation and displayed on the official notice board.

First Car is due at MTC1 at 11:27 hrs on Saturday 13th May 2023, and at MTC3 at 09:27 hrs on Sunday 14th May 2023.

The starting order of all competitors has been decided upon with reference to your self seeding information supplied on the entry form and no debate about this seeding will be entered into by the organisers.

Enclosed are entry passes for you and your service crew, as you detailed on your security pass form. Please bring them with you to help ensure a smooth entry to the venue for all in your party. Please have them ready to show to the marshal at the bottom of the hill and again at the gate on Friday, Saturday and Sunday.

At the rear of this document there is a Health and Safety brief from the R.A.F., which you and everybody in your party need to read.

ALL COMPETITORS AND SERVICE CREW involved in the main rally must attend the Health and Safety Briefing at 10:50 hrs on Saturday at the Rally HQ in the service area, as required on all events at RAF bases.

PLEASE NOTE THAT HEALTH AND SAFETY REGULATIONS FOR THE VENUE STATE THAT PERSONS UNDER THE AGE OF 16 MUST BE SUPERVISED ON SITE AT ALL TIMES. THIS WILL BE STRICTLY ENFORCED. NO BIKES, SCOOTERS etc. DOGS OR FOOTBALLS WILL BE ALLOWED ONTO THE SITE.

No Barbeques are allowed on site by order of RAF

Please read and follow the Service Area Best Practice notes in your pack, taking special note of refuelling procedures. All crews **MUST** use a sealed nozzle or pump when refuelling. Funnels **CAN NOT BE USED**. Penalty for not complying is **EXCLUSION**.

The Rally

Enclosed is a map showing the location of scrutineering, trailer park, documentation and the service area. Routes between these locations shown on the map are mandatory and any deviation from these routes by competitors or service crew will be strictly penalised under SR15.8 as this is considered out of bounds. In previous years some competitors / service crews, went their own way to the service area, so please make sure you tell everybody in your party the correct route, as YOU are responsible for every body in your party.

You are respectfully reminded that you are responsible for the conduct of all members of your party throughout the whole event, and any misconduct by any person in your party - **including taking photos** - may lead to you and all of your party being escorted off the base.

Rally Cars and Service Vehicles only in the service area please. **All other vehicles to be left in the trailer park, as room can be tight in the service area.**

If your car is scrutineered on Friday it must be left on the base overnight. Please leave your scrutineered car in the service area overnight.

All servicing must be carried out ON YOUR OWN GROUNDSHEET, as per SR 15.13 and Service Area Best Practice guidance notes. There should be ample space in the service area for everybody, with a little consideration from all. **The service area has a strict 5mph speed limit.**

The results caravan is strictly out of bounds to all competitors during the weekend. Any results queries should be passed in writing on the query form to the competitor liaison officer.

Please be aware that there are working radar on site, which are operational 24 hours per day. Standing on objects (e.g. the service van roof) to gain a better view of the stage is likely to put yourself in line with their transmissions. While this does not cause an operational problem, it is expressly forbidden by the RAF.

Taking photographs at RHH Portreath is **STRICTLY FORBIDDEN**. This means that in car cameras are a big NO NO for this event - sorry. There will be a military security presence around the event all weekend, and any persons seen taking photographs will be escorted off the base, after having their camera confiscated to enable the picture(s) to be destroyed. This will include the use of camera phones to take pictures. There may be an official photographer on the event, and all his photographs will be examined by the military before they are allowed off the base.

RED FLAGS

A system of Red Flags will be in operation on all stages.

Red Flags will be located at the Radio points.

Competitors who are shown a red flag **MUST** cease competition and continue to the finish at a reduced speed and be prepared to stop at any time as per GR R25.6.4. A notional time will be given to affected cars.

**IF YOU NEED TO CONTACT THE COMPETITOR LIAISON OFFICER DURING
THE EVENT RING 07812 750130
OR FIND HIM IN THE SERVICE AREA.**

**PLEASE REMEMBER THAT NO PHOTOS OR VIDEOS ARE ALLOWED AT THE
VENUE - ANYONE SEE TAKING PHOTOS OR VIDEOS RISKS THEIR
ASSOCIATED CREW BEING PENALISED AND THE DEVICE USED BEING
CONFISCATED BY THE MILITARY**

**For those using sat nav to get to Portreath, the postcode of the base is:
