The Primrose Rally

16th and 17th March 2024.

Thank you for your entry. We have worked at bringing a slick event we hope you have an enjoyable experience and event with us.

For this event we have a new venue for the start/finish, the California Inn. We have been welcomed by the team here and would like to use the venue in the future so please try to keep vehicle noise to a minimum when leaving on Saturday night but especially on returning.

There will be food available at the California Inn on Saturday evening so please support the venue.

On arrival proceed to the trailer park as per the enclosed map and unload your car. Then proceed to noise test and scrutineering as per the enclosed map.

When you are finished at scrutineering go to the California Inn for documentation, where you will collect your rally plates in your Rally Pack, which will have to be on the vehicle before you enter MTC0.

We recommend that crews attend documentation as early as you can to allow as much time as possible to become familiar with the contents of the pack.

There will be DSO's on route and special attention will be given to driving standards. We ask for your continued cooperation to safeguard future use of these areas, by adhering to the lower speed limits we have applied.

Competitors are reminded of Section 170 of the Road Traffic Act 1988 and Rule 286 of the Highway Code. Any injury incidents must be reported to the Police Authority.

Please find enclosed changes to the SRs (as bulletin 1), map for Scrutineering, Noise, and HQ. Also attached is a provisional entry list.

Any changes will be minimal, so please proceed through Environmental and Scrutineering with the number from the attached list. Start Times will be posted on the Notice Board.

Hope you have an enjoyable event.
Sam and the Organising Team.
