

Totnes Show AUTOTEST - SUNDAY 28th JULY 2024
SUPPLEMENTARY REGULATIONS

We are a recognised Street Car Club

Welcome to the Supplementary Regulations for the South Hams Motor Club Totnes Show Autotest.

The entry fee for this event will be £20 per entrant (not per car, cars can be double driven) which will include entry to the main show. Please note, due to this taking place in a live public show ground you will need to arrive before the show exhibitor gates close, and will not be able to leave until the show has finished. Also please be aware of pedestrians and other vehicle and non vehicle movements around the Autotest arena and the show fields. Please arrive and depart the venue in a quiet, controlled and respectful manner. Anyone failing to do so risks being excluded from the event without a refund. With this in mind, please be friendly and willing to talk to anyone, as this may promote the event and encourage an interest in motorsport. If you have any questions, please do not hesitate to get in contact with me, my details are below. We look forward to seeing faces old and new for a great day's motorsport.

11 Any driver who does not hold a full RTA Licence may only drive a Touring Car i.e. Series Production Car as defined in the Motorsport UK Year Book 2024 with a maximum engine capacity of 1400cc. Forced induction is not permitted.

12 Details of tests and any final instructions will be issued/available at signing on/documentation. Drivers will be allowed three runs at each test, (and must undertake a minimum of two runs per test). Two of these runs of which will count towards results. There will be 5 tests. The layout of each test will be available on the day. The running order for competitors will be available on the day. The course will be defined by a series of cones which might be less than 1 metre in height. Competitors will be allocated a competition number which may be supplied by SHMC on the day. Competitors will be given the opportunity to walk the course prior to competing. Timing will be by marshal’s app. Following the verbal instruction of the marshal, timing starts when the front wheels pass the start line.
A spill kit will be at the venue supplied by SHMC. There is no requirement for each car to comply with J5.10.13

13 Penalties

Wrong test / maximum score per round is: the slowest time in running class plus 20 secs

To finish a test the car must have come to a complete stop with all four wheels astride the finish line. The time continues to run until the car is fully stopped astride the finish line. You may reverse to comply with being astride provided this is done safely. Hitting a cone / marker has a penalty of an additional 5 secs per cone/marker to your time.

Cars must not be excessively noisy and comply with J.5.1.7. Should a car deemed to become too noisy during the event then they will be required to retire and no longer able to compete unless the situation is resolved.

CO2 and Climate Change

As part of our commitment to:

- The protection of the environment
- Reducing the detrimental impact of events on the environment
- Improving the sustainability of motorsport in the UK

We donate a small environmental levy from our events to offset the CO2 produced by all competing vehicles, and that of the South Hams Motor Club organisers on the event. We invest this in a local tree planting scheme to permanently offset the carbon produced and to achieve net-zero carbon for our events. Read more here:
