Foreword

50+ years on!

Come and join the fun this November on the 51st Anniversary of the Guy Fawkes Rally. Dust off the Poti and polish the Roamer for a night of classic Devon lanes on OS Map 191/192.

Starting and finishing at The Passage House Hotel at Kingsteignton, South Devon it is well located just off the A380 for those travelling from afar.

The South Hams is well known for being tight and twisty as previous entrants will testify – this event is about teamwork and great map-reading skills.

If you entered this rally in the last half century why not return and see how little things have changed?

We look forward to receiving your entry at the very special entry fee of just £98 which includes two breakfasts!

Kevin and the Organising Team.

The organising club has applied for the "on the night" insurance. For this type of event it is referred to the underwriters for their consideration, which they may or may not grant. If granted the REIS conditions are set out below, subject to any extra requirements from the underwriters.

Vehicles must have a valid motor insurance policy which provides as a minimum, Third Party Liability cover that complies with the Road Traffic Act. This can be either, by extending an existing motor policy to cover the event, or, by purchasing additional cover, providing under the Event Road Section Scheme as an adjunct to an existing motor policy. If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor.

If a competitor wishes to purchase additional Road Section cover via the organisers then they can do so prior to the event providing they comply with the following:

- the vehicle has a valid MOT and taxed for the road, unless exempt from doing so

Anyone aged less than 19 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25. Any competitor who falls outside these parameters may be offered cover at equivalent terms or an agreed price, if approval from the Appointed Insurance Broker has been obtained by the event organisers, prior to the event. Approval can be sought by sending an email to contact@reis.co.uk and provide the Drivers' name and date of birth, the date they passed their driving test and details of any motoring claims and/or convictions.

Additional cover provided by this scheme is only effective whilst the vehicle is actively competing in the event and remains under the control or direction of the event organiser(s). Cover will cease immediately if you are precluded, excluded or retire from the event.

As part of our commitment to:

- The protection of the environment
- Reducing the detrimental impact of events on the environment
- Improving the sustainability of motorsport in the UK

We donate a small environmental levy from our events to offset the CO2 produced by all competing vehicles, and that of the South Hams Motor Club organisers on the event. We invest this in a local tree planting scheme to permanently offset the carbon produced and to achieve net-zero carbon for our events.
